Offered by the manufacturer of Dr. Sage's Cataract Remedy, for a case of Cataract in the Head which they cannot cure.

SYMPOMS OF CATARRH.—Dull, heavy headache, obstruction of the nasal passages, discharges falling from the head like the throat, sometimes profuse, watery, and acrid, at others, thick, tenacious, mucous, purulent, bloody and purulent; the eyes are also very watery; there is a ringing in the ears, discharge of mucus, or coughing to clear the throat, expectoration of offensive matter, together with scabs from mucus; the voice is changed and has a "nasal twang." The person is often tired and fatigued, and taste is impaired; there is a sensation of drowsiness, with mental depression, a hacking cough and general debility. Only a few of the above named symptoms are likely to be present in any one case. The course of disease annually, without recurring half of the above symptoms, results in consumption and end in the grave. No disease is so common, more deceptive and dangerous, or less understood by physicians.

By its mild, soothing and healing properties, Dr. Sage's Cataract Remedy cures the worst cases of Cataract, "Cold in the Head," Coryza, and Intestinal Headache.

Sold by druggists everywhere: 50 cents.

Untold Agony from Cataract.

Prof. W. H. HARVEY, the famous neurologist, of Ithaca, N.Y., writes: "Some ten years ago I suffered untold agony from chronic nasal catarrh. My family physician gave me up as incurable, and said I must die. My case was a decided failure, and my physician said to my wife, 'you will become so blind you could burst a peacock's whisker.' In the morning as I coughed and cleared out my throat would almost strangle me. By the use of Dr. Sage's Cataract Remedy, in three months I was well again, and the cure has been permanent."

Constantly Coughing and Spitting.

THOMAS J. RISCHING, Eng., 2002 Pine Street, St. Louis, Mo., writes: "I was a great sufferer from catarrh for three years. At that time I constantly sneezed, and constantly hacking and spitting, and for the last eight months could not breath through the nostrils. I thought nothing could be done for me. Luckily, I was induced to try Dr. Sage's Cataract Remedy, and I am now as well as ever. I believe it to be the only sure remedy for catarrh now manufactured, and one has only to give it a fair trial to experience astounding results and a permanent cure."

A complete Treatise on Catarrh, giving valuable hints as to clothing, diet and other matters of importance, will be mailed, postpaid to any address, on receipt of a two-cent postage stamp.
